## 6 day Jasper to Highwood Pass Cycle Tour

### Discover the Rockies by Bike

**6 Days (7 Nights) | From: CAD \$2647 per person + 5% gst (twin share)**

Cycling Jasper to Highwood Pass through two National Parks and a Provincial Park over Six days is the ultimate cycling tour in Western Canada. An incredible setting in which to challenge yourself physically and mentally, yet find the ability to let go and immerse yourself in the rejuvenation of the Rockies.

The tour begins with a few leisurely rides and some sightseeing or activities in and around Jasper National Park and the relaxed mountain town of Jasper. On day 2 we'll start our journey on the world famous Icefields Parkway. This relaxing introduction will warm you up nicely for the longer and more challenging days ahead. The next two days see us cross into Banff National Park and visit the iconic Lake Louise. A quiet back road will see us cruise into Banff on the undulating Bow Valley Parkway and the Legacy trail bike bath into Canmore. From here we'll continue onto Kananaskis Country.

The last epic day on the bike will take us over the Highwood Pass (the highest paved road in Canada) to the cowboy town of Longview. We'll have a celebratory beer and meal at the local pub before driving you back to Calgary that evening for your flight home the next day.

The mountain scenery is truly breathtaking and the slower pace offered by the bicycle means there is ample time to appreciate it. You'll take in the views, snap lots of photos, have a few rest breaks - and we'll still arrive at our nightly destinations with time to spare. Relax in the evenings with a hot bath or a beverage enjoyed in the blaze of a mountain sunset, or explore the nearby sights and views on foot. Staying in the unique and cozy hotels along the way will give you the extra comfort each night that you deserve. You've worked hard during the day, and we love giving you time to pamper yourself in the evening.

## 6 day Jasper to Highwood Pass Cycle Tour

### Day 3: Saturday 24th: Sunwapta Falls to Saskatchewan River Crossing – Total Distance: 98km (62 miles)

A bountiful, gourmet breakfast is served around 8am. After a quick briefing of the route, hills (aka “bumps”) and rest stops, we’ll hop on the bikes and hit the road for the day’s journey to Saskatchewan River Crossing. We’ll climb past Tangle Falls and over the BIG bump, making our way towards our lunch stop in the shadow of the great Columbia Icefields, from which flow the Athabasca and Dome glaciers. After a nutritious meal and a well-deserved break, we’ll get back in the saddle and ride the scenic Sunwapta Pass. A rewarding 15 km downhill section awaits as we sweep down towards the valley floor again and on to the impressive cliffs and waterfalls of the Weeping Wall. A few rest stops along the way will break up the journey, provide photo opportunities, and give the group a chance to re-congregate as necessary. We’ll then conquer the remaining rolling hills accompanied by the sound of flowing rivers and in the presence of towering, snow-capped mountains. Before you know it, you’ll be enjoying a cold drink under Mt. Wilson at the *Crossing Resort*. You’ll be tired but satisfied knowing you’ve just knocked off one of the longer days of cycling of the tour.

**Traveler’s Tip:** Keep an eye out for the Crossing on your left as you approach! After nearly 100kms and with a 360 degree view of Mountains surrounding the resort, a tired traveler or two have been known to inadvertently sail on by!

#### Things to Do:

- Check out the extensive gift shop! Lots of shopping is available at this unique mountain resort, and with plenty of cargo space in the van and trailer, we are happy to carry your treasures back for you.
- Enjoy the outdoor patio at the pub! Take in some stunning scenery while you recount the adventures had and memories made over the day’s kilometres.

### Day 4: Sunday 25th: Bow Pass to Lake Louise – Total Distance: 85km (53 miles)

After fuelling up at breakfast you’ll climb out of the valley in the shadow of Mount Murchison. Shortly after, the terrain levels off again and you’ll cruise easily past endlessly changing vistas of mountains, turquoise green Glacial Lakes and abundant wildlife. Bow Pass, the final challenge of the day awaits – but feel free to take it at your own pace. Your reward will be witnessing a panoramic view like no other of Peyto Lake far below; in the distance, the valley that you’ve been riding down for the past few days can be seen in all its glory, surrounded by mountains as far as the eye can see. You’ll descend to the shores of Bow Lake for a well-deserved lunch break in a breathtaking setting before we essentially roll downhill all the way to Lake Louise. The lovely and well-appointed *Lake Louise Inn* is where you’ll rest your head tonight.

**Traveler’s Tip:** the Bow Pass ascent is long, but manageable! Don’t forget, though, that you can always hop in the van if you’re not feeling the love for it at any moment!

#### Things to Do:

- Take a dip in the hotel pool or relax in the hot tub!
- Stretch your legs with a leisurely walk through the quiet village of Lake Louise.
- Get your group together and hop into the van for a jaunt up to the stunning Lake Louise and Moraine Lake, the area’s namesake. These turquoise, glacier-fed lakes are situated in an amphitheater of towering mountains and is absolutely a must-see!
